NOTIFICATION

You have duly completed the

**Master's programme
Psychology**

Having passed all the examinations stipulated in the relevant curriculum, as well as having submitted a master thesis approved by the examiner, I award you the academic degree

**Master of Science
(MSc)**

Statutory Basis of the Award:

Article 87 (1) Universitätsgesetz (University Act), as published in the Bundesgesetzblatt (Federal Law Gazette) No. I 120/2002, in the current version, for the notification of this decision; and the curriculum for Degree Courses in Psychology of 3 June 2011, as published in the Mitteilungsblatt (University Bulletin) Number 124, in the current version, for the specific contents of this decision.

To your Notice:

According to Article 88 (2) Universitätsgesetz (University Act) the hereby conferred academic title is to be held by placing it after your name.

Reasons for the Decision: In accordance with Article 58(2) Allgemeines Verwaltungsverfahrensgesetz (General Administrative Procedures Act) the reasons for this decision do not have to be set forth because the position of the party concerned has been fully taken into consideration and no prior agreement has been entered into concerning objections or submissions of any party involved.

Salzburg, 21.07.2016

On behalf of the Vice Rector for Teaching

Univ.-Prof. Dipl.-Math. Dr. Arne Bathke, Dean
